Dear Winalite Distributors,

We wish to inform you about two (2) specific changes in our Compensation Plan effective Period 53 (December 29, 2007 onwards):

1. Change in the Leadership Bonus

The Leadership Bonus will now be based on new recruits within your group, no longer on maintenance. The 1-3-5 rule still applies but this will be based on new recruits, meaning, if there's one (1) new Recruit within your group in one (1) period/week, you will be entitled to 10% of the Multiplier Bonus from your first generation; 3 new Recruits within your group = 10% multiplier bonus from your 1st and 2nd generations; and 5 new Recruits within your group = 10% multiplier bonus from your 1st, 2nd and 3rd generations. You, as the Upline, must have your 1 Dynamic or Pantiliner set maintenance to avail of the full 3 generation commission payout.

2. Replacement for Global Fund Bonus

The Global Fund Bonus has been replaced by the PIN TITLES PROGRAM where you have the chance to achieve a specific title from Silver Diamond to Crown Envoy and win company incentives from overseas trips / tours, car, up to the Top Prize of US \$190,000 property incentive.

For a more detailed explanation of the two (2) above-mentioned changes, you may contact Ms. Sheila Agustin or Ms. Divine Pablo at 706-14 94 / Sales Department.

Please be guided accordingly.
